LOCATION OF INDIAN SETTLEMENTS IN WISCONSIN

CORPORATE CHARTER OF THE BAD RIVER BAND OF CHIPPEWA INDIANS
OF THE BAD RIVER RESERVATION, WISCONSIN

Ratified May 21, 1938

Whereas, the Bad River Band of the Lake Superior Tribe of Chippewa Indians of the Bad River Reservation in Wisconsin is a recognized Indian tribe organized under a Constitution and By-laws ratified by the Band on May 23, 1936 and approved by the Secretary of the Interior on June 30, 1936 pursuant to section 16 of the Act of June 18, 1934 (48 Stat. 984), as amended by the Act of June 15, 1935 (49 Stat. 378); and

Whereas, more than one-third of the adult members of the Band have petitioned that a charter of incorporation be granted to such Band, subject to ratification by a vote of the adult Indians living on the Reservation;

Now, therefore, I, Oscar L. Chapman, Assistant Secretary of the Interior, by virtue of the authority conferred upon me by the said Act of June 18, 1934 (48 Stat. 984), do hereby issue and submit this charter of incorporation to the Bad River Band of the Lake Superior Tribe of Chippewa Indians of the Bad River Reservation to be effective from and after such time as it may be ratified by a majority vote in an election in which at least 30 per cent of the adult Indians living on the Reservation shall vote.

1. Corporate Existence. In order to further the economic development of the Bad River Band of Chippewa Indians of the Bad River Reservation in Wisconsin by conferring upon the said Band certain corporate rights, powers, privileges and immunities; to secure for the members of the Band the means of an assured economic independence; and to provide for the proper exercise by the Band of various functions heretofore performed by the Department of the Interior, the aforesaid Band is hereby chartered as a body politic and corporate of the United States of America, under the corporate name "The Bad River Band of Chippewa Indians."

2. Perpetual Succession. The Bad River Band of Chippewa Indians shall, as a Federal Corporation, have perpetual succession.

3. Membership. The Bad River Band of Chippewa Indians shall be a membership corporation. Its members shall consist of all persons now or hereafter members of the Band, as provided by its duly ratified and approved Constitution and By-laws.

4. Management. The Tribal Council of the Bad River Band of Chippewa Indians established in accordance with the said Constitution and By-laws of the Band, shall exercise all the corporate powers hereinafter enumerated.

5. Corporate Powers. The Band, subject to any restrictions contained in the Constitution and laws of the United States, or in the Constitution and By-laws of the said Band, shall have the following corporate powers, in addition to all powers already conferred or guaranteed by the tribal Constitution and By-laws:

(a) To adopt, use, and alter at its pleasure a corporate seal.

(b) To purchase, take by gift, bequest, or otherwise, own, hold, manage, oper-

ate, and dispose of property of every description, real and personal, subject to the following limitations:

- (1) No sale or mortgage may be made, except to the United States, of any land, or interests in land, including water power sites, water rights, oil, gas, and other mineral rights, now or hereafter held by the Band within the boundaries of the Bad River Reservation.
 - (2) No mortgage may be made by the Band of any standing timber on any land now or hereafter held by the Band within the boundaries of the Bad River Reservation.
 - (3) No leases, permits (which terms shall not include land assignments to members of the Band) or timber sale contracts covering any land or interests in land now or hereafter held by the Band within the boundaries of the Bad River Reservation shall be made by the Band for a longer term than ten years, and all such leases, permits or contracts must be approved by the Secretary of the Interior or by his duly authorized representative; but mining leases may be made for longer periods when authorized by law.
 - (4) No action shall be taken by or in behalf of the Band which in any way operates to destroy or injure the tribal timber, or other natural resources of the Bad River Reservation. All leases, permits, and timber sale contracts relating to the use of tribal timber lands shall conform to regulations of the Secretary of the Interior authorized by section 6 of the Act of June 18, 1934 with respect to sustained yield forestry management, and other matters therein specified. Conformity to such regulations shall be made a condition of any such lease, permit, or timber sale contract, whether or not such agreement requires the approval of the Secretary of the Interior, and violation of such condition shall render the agreement revocable, in the discretion of the Secretary of the Interior.
 - (5) No distribution of corporate property to members shall be made except out of net income.
- (c) To issue certificates of interest in corporate property in exchange for restricted Indian lands, the forms for such certificates to be approved by the Secretary of the Interior.
- (d) To borrow money from the Indian Credit Fund in accordance with the terms of Section 10 of the Act of June 18, 1934 (48 Stat. 984), or from any other governmental agency, or from any member or association of members of the Band, or from any other source, and to use such funds directly for productive tribal enterprises, or to loan money thus borrowed to individual members or associations of members of the Band: Provided, That the amount of indebtedness to which the Band may subject itself, other than indebtedness to the Indian Credit Fund, shall not exceed \$5,000, except with the express approval of the Secretary of the Interior.
- (e) To engage in any business that will further the economic well-being of the

members of the Band or to undertake any activity of any nature whatever, not inconsistent with law or with any provisions of this Charter.

- (f) To make and perform contracts and agreements of every description, not inconsistent with law or with any provisions of this Charter, with any person, association, or corporation, with any municipality or any county, or with the United States or the State of Wisconsin, provided that any contracts involving payment of money in excess of \$1,000 in any one year by the corporation shall be effective only when approved by the Secretary of the Interior or his duly authorized representative.
- (g) To pledge or assign chattels or future tribal income due or to become due to the Band: Provided, That such assignments of tribal income, other than assignments to the United States, shall not extend more than five years from the date of execution and shall not cover more than one-half the net tribal income from any one source: And provided further, That any such pledge or assignment shall be subject to the approval of the Secretary of the Interior or his duly authorized representative.
- (h) To deposit corporate funds, from whatever source derived, in any national or state bank to the extent that such funds are insured by the Federal Deposit Insurance Corporation, or secured by a surety bond, or other security, approved by the Secretary of the Interior; or to deposit such funds in the Postal Savings Bank or with a bonded disbursing officer of the United States to the credit of the corporation.
- (i) To sue and to be sued in courts of competent jurisdiction within the United States; but the grant or exercise of such power to sue and to be sued shall not be deemed a consent by the said Band or by the United States to the levy of any judgment, lien or attachment upon the property of the Band other than income or chattels specially pledged or assigned.
- (j) To exercise such further incidental powers not inconsistent with law, as may be necessary to the conduct of corporate business.

6. Termination of Supervisory Powers. Upon the request of the Tribal Council for the termination of any supervisory power reserved to the Secretary of the Interior under sections 5 (b) (3), 5 (c), 5 (d), 5 (f), 5 (g), 5 (h), and section 9 of this Charter, the Secretary of the Interior, if he shall approve such request, shall thereupon submit the question of such termination to the Band for referendum. The termination shall be effective upon ratification by a majority vote at an election in which at least 30 per cent of the adult members of the Band residing on the Reservation shall vote. If at any time after five years from the effective date of this Charter, such request shall be made and the Secretary shall disapprove it or fail to approve it within 90 days after its receipt, the question of the termination of any such power may then be submitted by the Secretary of the Interior or by the Tribal Council to popular referendum of the adult members of the Band actually living within the Reservation and if the termination is approved by two-thirds of the eligible voters it shall be effective.

7. Corporate Property. No property rights of the Bad River Band of Chippewa Indians as heretofore constituted, shall be in any way impaired by anything contained in this Charter, and the tribal ownership of unallotted lands, whether or not assigned to the use of any particular individuals, is hereby expressly recognized. The individually owned property of members of the Band shall not be subject to any corpor-

ate debts or liabilities, without such owners' consent. Any existing lawful debts of the Band shall continue in force, except as such debts may be satisfied or cancelled pursuant to law.

8. Reserve Fund. Forty percent of net income from corporate enterprises shall be placed in a reserve fund, annually, until said reserve fund equals not less than 25 per cent of the capital investment in such corporate enterprise. Thereafter the amount of net income to be devoted to the reserve fund may be optional, except that amounts expended therefrom shall be replaced in the same manner that the fund was created. This fund shall be used only for repairs, replacements, improvements, and expansion of corporate enterprises.

9. Corporate Dividends. The Band may issue to each of its members a non-transferable certificate of interest in corporate property and corporate enterprises evidencing the equal share of each of such members of the Band in the corporate assets of the Band and may make a dividend distribution among such members of profits of corporate enterprises over and above all sums which may be devoted to the establishment of a reserve fund, the construction of public works, the cost of public enterprise, the expenses of tribal government, the needs of charity, or other corporate purposes. No such distribution of profits shall be made amounting to a distribution of more than one-half of the accrued surplus without the approval of the Secretary of the Interior. No distribution of the financial assets of the Band shall be made except as provided herein or as authorized by Congress.

10. Corporate Accounts. The officers of the Band shall maintain accurate and complete public accounts of the financial affairs of the Band, which shall clearly show all credits, debts, pledges, and assignments, and shall furnish an annual balance sheet and report of the financial affairs of the Tribe to the Commissioner of Indian Affairs.

11. Amendments. This Charter shall not be revoked or surrendered except by Act of Congress, but amendments may be proposed by resolutions of the Tribal Council which, if approved by the Secretary of the Interior, shall be effective when ratified by a majority vote of the adult members of the Band residing on the Reservation at a popular referendum in which at least 30 per cent of the eligible voters shall vote.

12. Ratification. This Charter shall be effective from and after the date of its ratification by a majority vote of the adult members of the Bad River Band of Chippewa Indians residing on the Bad River Reservation, provided at least 30 per cent of the eligible voters shall vote, such ratification to be formally certified by the Superintendent of the Great Lakes Agency and the Chairman and Secretary of the Tribal Council.

Submitted by the Assistant Secretary of the Interior for ratification by the Bad River Band of Chippewa Indians.

If the Superintendent shall refuse to approve any resolution or ordinance submit-

ted to him, within 10 days of its enactment, he shall advise the Tribal Council of his reasons therefor. If these reasons appear to the Tribal Council insufficient, it may, by a majority vote, refer the ordinance or resolution to the Secretary of the Interior, who may, within 90 days from the date of its enactment, approve the same in writing, whereupon the said ordinance or resolution shall become effective.

SEC. 3. Future powers.—The Tribal Council may exercise such further powers as may in the future be delegated to the Band by the Secretary of the Interior, or by any duly authorized official or agency of the State or Federal Government.

SEC. 4. Reserved powers.—Any rights and powers heretofore vested in the Bad River Band, but not expressly referred to in this Constitution, shall not be abridged by this Article, but may be exercised by the people of the Bad River Band of the Lake Superior Tribe of Chippewa Indians of Wisconsin through the adoption of appropriate By-laws and Constitutional Amendments.

ARTICLE VII — REFERENDUM

SECTION 1. The exercise of any enumerated powers lodged in the Tribal Council shall be subject to a referendum vote of the people upon a written petition signed by not less than 25 percent of the total number of voters in the last general election, provided that not less than 30 percent of the eligible voters shall vote in any such referendum, a majority of those voting to decide the issue.

ARTICLE VIII — LAND

SECTION 1. Allotted land, including heirship lands, within the Bad River Reservation shall continue to be held as heretofore by their present owners. It is recognized that under existing law such lands may be condemned for public purposes, such as roads, public buildings, or other public improvements, upon payment of adequate compensation. It is further recognized that under existing law such lands may be inherited by the heirs of the present owners, whether or not they are members of the Bad River Band of the Lake Superior Tribe of Chippewa Indians. Likewise, it is recognized that under existing law the Secretary of the Interior may, in his discretion, remove restrictions upon such land, upon application by the Indian owner, whereupon the land will become subject to State tax and may then be mortgaged and sold. The right of the individual Indian to hold or to dispose of his land, as under existing law, shall not be abrogated by anything contained in this Constitution, but the owner of restricted land may, with the approval of the Secretary of the Interior, voluntarily convey his land to the Bad River Band of the Lake Superior Tribe of Chippewa Indians either in exchange for money payment or in exchange for an assignment covering the same land or other land, as hereinafter provided.

SEC. 2. Tribal lands of the Bad River Band of the Lake Superior Tribe of Chippewa Indians and all lands which may hereafter be acquired by the Bad River Band or by the United States in trust for the Bad River Band shall be held as tribal lands, and no part of such lands shall be mortgaged or sold.

SEC. 3. Tribal lands shall not be allotted to individual Indians, but such tribal lands as are not required for school, agency, or other administrative use may be assigned by the Tribal Council to members of the Bad River Band of the Lake Superior Tribe of Chippewa Indians or may be leased or otherwise used by the Band as hereinafter provided.

SEC. 4. Tribal lands may be leased by the Tribal Council with the approval of the

Secretary of the Interior in accordance with law. Preference shall be given, first, to cooperative associations of members of the Band, and, secondly, to individual Indians who are members of the Band. No lease of tribal lands to a nonmember shall be made by the Tribal Council unless it shall appear that no cooperative association of members or individual member of the Band is able and willing to use the land and to pay a reasonable fee for such use.

SEC. 5. In any assignment of tribal lands which are now owned by the Band, or which may hereafter be acquired for the Band by the United States or purchased by the Band out of tribal funds, or which may be designated for the use of the Band, preference shall be given, first to heads of families which are entirely landless, and second, to heads of families which have no allotted lands or interests in allotted lands, but shall have already received assignments consisting of less than an economic unit of agricultural land or other land or interests in land of equal value, such economic unit to be determined by the Tribal Council by ordinances. Such assignments shall be known as "standard assignments."

No member of the Band who may hereafter have the restrictions upon his land removed, and whose land may thereafter be alienated, except to the Band, shall be entitled to receive an assignment of land as a landless Indian.

The Tribal Council may, if it sees fit, charge a fee on approval of a standard assignment.

SEC. 6. If any person holding a standard assignment of land shall, for a period of 1 year, fail to use the lands so assigned, or shall use the land for any unlawful purpose, his assignment may be canceled by the Tribal Council after due notice and opportunity to be heard. Such land may then be available for reassignment.

Upon the death of any Indian holding a standard assignment, his heirs or other individuals designated by him in writing shall have preference in the reassignment of the land, provided such persons are eligible to receive a standard assignment.

SEC. 7. Any member of the Bad River Band who owns an allotment of land or any share in heirship land or any deeded land, may with the approval of the Secretary of the Interior, voluntarily transfer his interest in such land, to the Band and receive therefor an assignment in the same land or other land of equal value or he may receive a proportionate share in a unit of agricultural or other lands.

Assignments made under this section shall be known as "exchange assignments."

SEC. 8. Exchange assignments may be used by the assignee or leased by him to cooperative associations of members of the Band, to individual members of the Band, or if no individual member or cooperative association of members is able and willing to rent the land at a reasonable fee, such assignments may be leased to non-Indians, in the same manner as allotted lands.

SEC. 9. Upon the death of a holder of an exchange assignment such lands shall be reassigned by the Tribal Council to his heirs or devisees, subject to the following conditions:

(a) Such lands may not be reassigned to any heir or devisee who is not a member of the Bad River Band, except that a life assignment may be made to the surviving spouse or child of the holder of such assignment.

(b) Such lands may not be reassigned to any heir or devisee who already owns or holds more than an economic unit of land.

(c) Such lands may not be subdivided among heirs or devisees into units too small for convenient management, and no assignment shall be subdivided into units smaller than $2\frac{1}{2}$ acres, except that land used for buildings or other improvements may be divided to suit the convenience of the parties. Where it is impossible to divide the land properly among the eligible heirs or devisees, the Tribal Council may issue to the eligible heirs or devisees interests in tribal lands or property of the same value as the assignment of the decedent.

(d) If there are no eligible heirs or devisees of the decedent, the land shall be eligible for assignment the same as other tribal lands.

SEC. 10. Improvements of any character made upon assigned land may be willed to and inherited by members of the Bad River Band. When improvements are not possible of fair division, the Tribal Council shall dispose of them under such regulations as it may provide, for the benefit of such heirs. No permanent improvements may be removed from any tribal or assigned land without the consent of the Tribal Council.

SEC. 11. No member of the Bad River Band may use or occupy tribal lands except under an assignment or lease.

SEC. 12. CORPORATE CHARTER OF THE RED CLIFF BAND OF LAKE
SUPERIOR CHIPPEWA INDIANS OF THE RED
CLIFF RESERVATION, WISCONSIN

Ratified October 24, 1936

Whereas, the Red Cliff Band of Lake Superior Chippewa Indians of the Red Cliff Reservation in Wisconsin constitute a recognized Indian tribe organized under a constitution and by-laws ratified by the Tribe on April 18, 1936, and approved by the Secretary of the Interior on June 1, 1936, pursuant to Section 16 of the Act of June 18, 1934 (48 Stat. 984), as amended by the Act of June 15, 1935, (49 Stat. 378); and

Whereas, more than one-third of the adult members of the Tribe have petitioned that a charter of incorporation be granted to such Tribe, subject to ratification by a vote of the adult Indians living on the reservation;

Now, therefore, I, Harold L. Ickes, Secretary of the Interior, by virtue of the authority conferred upon me by the said Act of June 18, 1934, (48 Stat. 984), do hereby issue and submit this charter of incorporation to the Red Cliff Band of Lake Superior Chippewa Indians of the Red Cliff Reservation to be effective from and after such time as it may be ratified by a majority vote of the adult Indians living on the Reservation.

1. Corporate Existence. In order to further the economic development of the Red Cliff Band of Lake Superior Chippewa Indians of the Red Cliff Reservation in Wisconsin by conferring upon said Tribe certain corporate rights, powers, privileges, and immunities, and imposing upon such organized community the responsibility of voluntary cooperative group action; to secure for the members of the Tribe the means of an assured economic independence; and to provide for the proper exercise by the Tribe of various functions and responsibilities heretofore performed and assumed by the Department of the Interior, the aforesaid Tribe is hereby chartered as a body politic and corporate of the United States of America under the corporate name "The Red Cliff Band of Lake Superior Chippewa Indians."

2. Perpetual Succession. The Red Cliff Band of Lake Superior Chippewa Indians shall, as a Federal Corporation, have perpetual succession.

3. Membership. The Red Cliff Band of Lake Superior Chippewa Indians shall be a membership corporation. Its members shall consist of all persons now or hereafter members of the Tribe, as provided by its duly ratified and approved Constitution and By-laws.

4. Management. The Tribal Council of the Tribe established in accordance with the said Constitution and By-laws of the Tribe, shall exercise all the corporate powers hereinafter enumerated.

5. Corporate Powers. The tribe, subject to any restrictions contained in the Constitution and laws of the United States, or in the Constitution and By-laws of the said Tribe, shall have the following corporate powers, in addition to all powers already conferred or guaranteed by the Tribal Constitution and By-laws.

(a) To adopt, use, and alter at its pleasure a corporate seal.

(b) To purchase, take by gift, bequest, or otherwise, own, hold, manage, operate, and dispose of property of every description, real and personal, subject to the following limitations:

(1) No sale or mortgage may be made by the Tribe of any land, or interests in land, including water power sites, water rights, oil, gas, and other mineral rights, now or hereafter held by the Tribe within the boundaries of the Red Cliff Reservation.

(2) No mortgage may be made by the Tribe of any standing timber on any land now or hereafter held by the Tribe within the boundaries of the Red Cliff Reservation.

(3) No leases, permits (which terms shall not include land assignments to members of the Tribe) or timber sale contracts covering any land or interests in land now or hereafter held by the Tribe within the boundaries of the Red Cliff Reservation shall be made by the Tribe for a longer term than five years, and all such leases, permits or contracts must be approved by the Secretary of the Interior or by his duly authorized representative; but oil and gas leases, water power leases, or any leases requiring substantial improvements of the land may be made for longer periods when authorized by law.

(4) No action shall be taken by or in behalf of the Tribe which in any way operates to destroy or injure the tribal grazing lands, timber or other natural resources of the Red Cliff Reservation. All leases, permits, and timber sale contracts relating to the use of tribal grazing or timber lands shall conform to regulations of the Secretary of the Interior authorized by Section 6 of the Act of June 18, 1934, with respect to range carrying capacity, sustained yield forestry management, and other matters therein specified. Conformity to such regulations shall be made a condition of any such lease, permit, or timber sale contract, whether or not such agreement requires the approval of the Secretary of the Interior, and violation of such condition shall render the agreement revocable, in the discretion of the Secretary of the Interior.

(5) No distribution of corporate property to members shall be made except out of net income.

(c) To issue interests in corporate property in exchange for restricted Indian lands, the forms of such interests to be approved by the Secretary of the Interior.

(d) To borrow money from the Indian Credit Fund in accordance with the terms of Section 10 of the Act of June 18, 1934 (48 Stat. 984), or from any other Governmental agency, or from any member or association of members of the Tribe, and to use such funds directly for productive tribal enterprises, or to loan money thus borrowed to individual members or associations of members of the Tribe: Provided, That the amount of indebtedness, other than indebtedness to the Indian Credit Fund, to which the Tribe may subject itself, shall not exceed ten thousand dollars, except with the express approval of the Secretary of the Interior.

(e) To engage in any business that will further the economic well being of the

members of the Tribe or to undertake any activity of any nature whatever, not inconsistent with law or with any provisions of this charter.

- (f) To make and perform contracts and agreements of every description, not inconsistent with law or with any provisions of this charter, with any person, association, or corporation, with any municipality or any county, or with the United States or the State of Wisconsin, including agreements with the State of Wisconsin for the rendition of public services: Provided, That all contracts involving payment of money by the corporation in excess of \$1,000 in any one fiscal year shall be subject to the approval of the Secretary of the Interior or his duly authorized representative.
- (g) To pledge or assign chattels or future tribal income due or to become due to the Tribe: Provided, That such agreements of pledge or assignment shall not extend more than ten years from the date of execution and shall not cover more than one-half the net tribal income from any one source: And provided further, That any such agreement shall be subject to the approval of the Secretary of the Interior or his duly authorized representative.
- (h) To deposit corporate funds, from whatever source derived, in any national or state bank to the extent that such funds are insured by the Federal Deposit Insurance Corporation, or secured by a surety bond, or other security, approved by the Secretary of the Interior; or to deposit such funds in the Postal Savings Bank or with a bonded disbursing officer of the United States to the credit of the corporation.
- (i) To sue and to be sued in courts of competent jurisdiction within the United States; but the grant or exercise of such power to sue and to be sued shall not be deemed a consent by the said Tribe or by the United States to the levy of any judgment, lien or attachment upon the property of the Tribe other than income or chattels specially pledged or assigned.
- (j) To exercise such further incidental powers not inconsistent with law, as may be necessary to the conduct of corporate business.

6. Termination of Supervisory Powers. Upon the request of the Tribal Council for the termination of any supervisory power reserved to the Secretary of the Interior under Sections 5 (b) (3), 5 (c), 5 (d), 5 (f), 5 (g), 5 (h), and Section 8 of this charter, the Secretary of the Interior, if he shall approve such request, shall thereupon submit the question of such termination to the Tribe for referendum. The termination shall be effective upon ratification by a majority vote at an election in which at least 30% of the adult members of the Tribe residing on the reservation shall vote. If at any time after five years from the effective date of this charter, such request shall be made and the Secretary shall disapprove it or fail to approve or disapprove it within ninety days after its receipt, the question of the termination of any such power may then be submitted by the Secretary of the Interior or by the Tribal Council to popular referendum of the adult members of the Tribe actually living within the reservation and if the termination is approved by two-thirds of the eligible voters, shall be effective.

7. Corporate Property. No property rights of the Red Cliff Band of Lake Superior Chippewa Indians as heretofore constituted, shall be in any way impaired by anything contained in this charter, and the tribal ownership of unallotted lands, whether or not assigned to the use of any particular individuals, is hereby expressly recognized. The individually owned property of members of the Tribe shall not be subject to any

corporate debts or liabilities, without such owners' consent. Any existing lawful debts of the Tribe shall continue in force, except as such debts may be satisfied or cancelled pursuant to law.

8. Corporate Dividends. The Tribe may issue to each of its members a non-transferable certificate of membership evidencing the equal share of each member in the assets of the Tribe and may distribute per capita, among the recognized members of the Tribe all profits of corporate enterprises over and above sums necessary to defray corporate obligations to members of the Tribe, or to other persons and over and above all sums which may be devoted to the establishment of a reserve fund, the construction of public works, the cost of public enterprises, the expenses of tribal government, the needs of charity, or other corporate purpose. No such distribution of profits or income in any one year amounting to a per capita cash payment of \$100 or more, or amounting to a distribution of more than one-half of the accrued surplus, shall be made without the approval of the Secretary of the Interior. No distribution of the financial assets of the Tribe shall be made except as provided here in or as authorized by Congress.

9. Corporate Accounts. The officers of the Tribe shall maintain accurate and complete public accounts of the financial affairs of the Tribe, which shall clearly show all credits, debts, pledges, and assignments, and shall furnish an annual balance sheet and report of the financial affairs of the Tribe to the Commissioner of Indian Affairs. The Treasurer of the Tribe shall be the custodian of all moneys which come under the jurisdiction or control of the Tribal Council as provided in the Constitution and By-laws of the Red Cliff Band of Lake Superior Chippewa Indians.

10. Amendments. This charter shall not be revoked or surrendered except by Act of Congress, but amendments may be proposed by resolutions of the Council which if approved by the Secretary of the Interior, shall be effective when ratified by a majority vote of the adult members living on the reservation at a popular referendum in which at least 30 percent of the eligible voters vote.

ARTICLE VIII — LAND

SECTION 1. Allotted lands, including heirship lands, within the Red Cliff Reservation, shall continue to be held as heretofore by their present owners. It is recognized that under existing law such lands may be condemned for public purposes, such as roads, public buildings, or other public improvements, upon payment of adequate compensation by any agency of the State of Wisconsin or of the Federal Government or by the tribe itself. It is further recognized that under existing law such lands may be inherited by the heirs of the present owner, whether or not they are members of the Red Cliff Tribe. Likewise, it is recognized that under existing law, the Secretary of the Interior may, in his discretion, remove restrictions upon such land, upon application by the Indian owner, whereupon the land will become subject to State taxes and may then be mortgaged or sold. The right of the individual Indian to hold or dispose of his land, as under existing law, shall not be abrogated by anything contained in this constitution, but the owner of restricted land may, with the approval of the Secretary of the Interior, voluntarily convey his land to the Red Cliff Band either in exchange for a money payment or in exchange for an assignment covering the same land or other land, as hereinafter provided.

SEC. 2. Tribal lands of the Red Cliff Band of Lake Superior Chippewa Indians and all lands which may hereafter be acquired by the Red Cliff Band of Lake Superior Chippewa Indians, or by the United States in trust for them, shall be held as tribal lands, and no part of such lands shall be mortgaged or sold.

SEC. 3. Tribal lands shall not be allotted to individual Indians but such tribal lands as are not required for school, agency, or other administrative use may be assigned by the tribal council to members, or may be leased or otherwise used by the tribe as hereinafter provided.

SEC. 4. Tribal lands may be leased by the tribal council with the approval of the Secretary of the Interior in accordance with law. Preference shall be given, first, to cooperative associations of members of the tribe; and secondly, to individual Indians who are members of the Red Cliff Band of Lake Superior Chippewa Indians. No lease of tribal lands to a nonmember shall be made by the tribal council unless it shall appear that no cooperative association of members of the tribe or individual member of the tribe is able and willing to use the land and to pay a reasonable fee for such use.

SEC. 5. In any assignment of tribal lands which are now owned by the tribe, or which may hereafter be acquired for the tribe by the United States or purchased by the tribe by the United States or purchased by the tribe out of tribal funds, or which may be designated for the use of the tribe, preference shall be given, first, to heads of families which are entirely landless; and secondly, to heads of families which have no allotted lands or interests in allotted lands, but shall have already received assignments consisting of less than an economic unit of agricultural land, or other land or interests in land of equal value, such economic unit to be determined by the tribal council. Assignments under this section shall be for the primary purpose of establishing homes for landless Indians and shall be known as standard assignments.

No member of the tribe who may hereafter have the restrictions upon his land removed and whose land may hereafter be alienated shall be entitled to receive an assignment of land as a landless Indian.

The tribal council may, if it sees fit, levy a service charge not to exceed \$15 on approval of all standard assignments made under this section.

SEC. 6. If any person holding a standard assignment of land shall for a period of 1 year fail to use the lands so assigned or shall use the land for any unlawful purpose, his assignment may be canceled by the tribal council after due notice and opportunity to be heard. Such land may then be available for reassignment.

Upon the death of any Indian holding a standard assignment his heirs or other individuals designated by him by will or written request shall have preference in the reassignment of the land, provided such persons are eligible to receive a standard assignment.

SEC. 7. Any member of the Red Cliff Band of Lake Superior Chippewa Indians who owns an allotment of land or any share in heirship land or any deeded land, may, with the approval of the Secretary of the Interior, voluntarily transfer his interest in such land, to the tribe and receive therefor an assignment in the same land or other land of equal value, or he may receive a proportionate share in a larger unit of land.

Assignments made under this section shall be known as "exchange assignments."

SEC. 8. Exchange assignments may be used by the assignee or leased by him to Indian cooperative associations of members, to individual members of the tribe, or if no individual member or cooperative association of members is able and willing to rent the land, such assignments may be leased to non-Indians in the same manner as allotted land.

SEC. 9. Upon the death of a holder of an exchange assignment such lands shall be reassigned by the tribal council to his heirs or devisees, subject to the following conditions:

Whereas, more than one-third of the adult members of the Sokaogon Chippewa Community have petitioned that a charter of incorporation be granted to such Community, subject to ratification by a vote of the adult Indians of the Community;

Now, therefore, I, Oscar L. Chapman, Assistant Secretary of the Interior, by virtue of the authority conferred upon me by the said Act of June 18, 1934 (48 Stat. 984), do hereby issue and submit this charter of incorporation to the Sokaogon Chippewa Community to become effective upon ratification by a majority vote of the adult Indians of the Community voting in an election in which at least 30 percent of the eligible voters shall vote.
